Better Part of Seward Park Is Officially Made East Side Playground.

The Evening World's plan for a Seward Park playground was officially endorsed by the Board of Estimate at its meeting today.

On motion of Mayor Van Wyck, the resolution approving plans of the Park Department for a maximum of park and a minimum of playground was rescinded, and the Park Commissioners were ordered to draw up new plans which will provide for a playground covering almost the entire park area.

Was Promptly Acted On.

The Aldermanic Committee on Parks set a hearing for 2 P. M. to-day, on the subject, but the Board of Estimate took up the question at a larger playground than the one contemplated was absolutely necessary.

"I agree with you entirely," said the Mayor. "I think the whole space allotted for that park should be turned into a playground."

President Guggenheimer said the plan had already been approved by the Board of Estimate and was before the Municipal Assembly for a hearing later in the day.

"The Municipal Assembly has nothing to do with approving the plan," replied the Mayor. "We have approved

FOUGHT OVER WEDDING FEE.

Jersey Justices of the Peace Engaged in a Squabble.

Oscar Baker Mills, who said he was twenty-one years old and a member of the Peter Daley company, was married at midnight to Miss Leona Jones, twenty-one years old, who said her residence was the Hotel Navarro.

The ceremony was performed by Justice of the Peace J. K. Murphy, in his office in Jersey City. The witnesses were Justices of the Peace Charles Shady, and Miss Florence H. Wheeler, who said that she was also a member of the Peter Daley company.

After the ceremony Mr. and Mrs. Mills and Miss Wheeler returned to New York, while the two Justices remained in Jersey City to divide the wedding fee of \$5.

Justices Murphy and Shady were standing on the sidewalk at midnight, when the young man and the two ladies approached and asked where they could find a Justice of the Peace.

Both responded. Justice Murphy insisted he should perform the ceremony because he saw them first, while Justice Shady said he could do it because he spoke to them first. It was left to the bride-elect, she selected Murphy, while Shady was retained as a witness.

(Special to The Evening World.) HALIFAX, N. S., Jan. 18.—News was received here today of the death of Captain Fitzherbert in South Africa. He was well known here and much regret is expressed at the news.

Captain Fitzherbert was married to Miss Mary O. Wilson, of Minneapolis, some time ago. They met at a ball in Bermuda.

He resigned from the Imperial service, but when the South African war broke out he enlisted in the South African Horse.

Fitzherbert served through the Egyptian campaign. He had the Khedive's Star, a medal, and two clasps.

AVERTED A HOSPITAL FIRE.

Attendant Burns Himself by Handling Burning Turpentine.

The pluck of Albert Hawser, a hospital attendant, averted a serious fire today in the United States Naval Hospital, at Flushing Avenue and Ryerson Street, Brooklyn. With other nurses, he was in the laboratory on the third floor preparing a bandage which required boiling.

The tube connected with a gas-stove exploded, the flames communicating with a can of turpentine. Hawser grabbed the burning can of turpentine and hurled it out of a window. He was severely burned about the face and hands.
